

KADIMA

September 2010

I hope everyone has had a wonderful summer so far! If you are attending Encampment, have a great time!

Kadima, for students in grades 6-8, is a great place to meet new Jewish friends, both guys and girls. The regional conventions and dances are amazing, and the chapter events are awesome! Encampment allows you to meet other teenagers across the state.

I know this is short, but if you want to receive a regular email newsletter or more information on Springfield Kadima, feel free to contact me. Please stay tuned for a calendar of events!

If you were a member last year, check your email for the registration forms for this year! 5th grade students who are entering 6th grade in September, email me for your forms!

I can't wait to hear from you,

Justin Hirsch, Advisor
