

Shul-Hop Date _____

Congratulations on participating in the Shul-Hop! You will get credit for attending services if you complete this form and return it to TBAY RS on your next Religious School session. This form may be used TWO TIMES during the school year.

When you go to a different synagogue, please read this paper and look for the answers before, during and after the service. Please do not write your answers on Shabbat.

What is the name of the Synagogue (Temple, Congregation, etc)?

What does the name mean ? (If it is in Hebrew, or Yiddish, or another language)

How is the sanctuary different from TBAY's sanctuary?

To which stream of Judaism does the synagogue belong? (Reform, Conservative, Orthodox, etc.)

What is the name of the Siddur they are using?

What service was it? (Morning, afternoon, Musaf, Havdalah?)

What was the Parsha of the Week?

Write one thing you learned from the Rabbi's sermon.

How would you know if this congregation wants to be inclusive? (Welcoming to people who have physical handicaps, or are different in any way.)

If you went to this synagogue, would you be using more or less Hebrew than at TBAY?

How did you feel when you were at this service?
